

INFEST

Bio

Infest is a grindcore band born in 2003 in the Basque country.

At the beginning influenced by grind crust bands, Infest released his first album "Feel the rage" in 2007 which allowed the band to grow and establish their name in the european stage.

The second album "Moshroom" was released in 2009 with a sharper grindcore sound. The tours go one after the others in europe.

After visiting 18 country and share the stage with many bands, including Sepultura, Gojira, Napalm Death ...

Infest comes back in 2013 to kick some ass, with their 3rd album "The next will be yours" in collaboration with Every Day Hate Records.
